Introduction

The NSW Government has launched Dine & Discover NSW to support local dining, arts and tourism businesses and encourage the community to get out and about.

All eligible businesses across NSW can now register for the scheme.

Test and pilot

- Before Dine & Discover NSW opens up across the state, the scheme will be tested with a small number of participants at The Rocks and Broken Hill in early February and then piloted with a larger group in Sydney CBD, Northern Beaches and Bega Valley from late February.

If your business is outside these areas, you can register now and expect customers with vouchers from March when the scheme rolls out across the state.
