

Suncorp Spirit Fund Grant Guidelines

Netball and community organisations across Australia directly affected by natural disaster events may be eligible to receive recovery grants from the Suncorp Natural Disaster Relief Fund.

These Grant Guidelines together with the Terms and Conditions apply to Applicants for the Grant. By applying, you agree to be bound by these Grant Guidelines, Terms and Conditions and the Confident Girls Foundation's Privacy Policy and Privacy Statement (as applicable).

1. Objective

- 1.1 The objective of the Suncorp Natural Disaster Relief Fund is to support netball and community organisations directly affected by natural disaster events across 2019 and/or 2020.

2. Available Funding

- 2.1 There will be one tier of grants available, providing grants up to \$2,500.

3. How Funds May be Used

- 3.1 The Suncorp Spirit Fund application process is designed to be deliberately flexible, so that it can fund the various needs identified across different communities. Needs could focus on infrastructure, purchasing equipment, covering the cost of registrations and fees for participants, holding clinics and special community events and supplying uniforms.

- 3.2 Broader netball and community activities that may also be considered include:

Projects that are recovery focused and aim to build on the netball community's and members' resilience; healing and capacity building; projects that focus on practical advice and skills development, e.g. for parents to help provide support for their children; addressing particular needs of isolated older women; or future netball club bushfire planning and preparedness.

- 3.3 Applications must align with at least one of the Foundation's granting philosophies:

- Community need and impact: programs that meet a genuine, identified need and that have the potential for significant or direct community impact and benefit, and broader implementation.
- Innovation and sustainability: programs that offer innovative and creative solutions to issues and programs that have the potential to be sustainable over the longer term.
- Linkages: the Foundation will support and embrace organisations and individuals that work in cooperation and partnership within their program work and that actively encourage collaboration with key stakeholders in a given field.

4. Eligibility Criteria

- 4.1 The Confident Girls Foundation encourages applications from local not-for-profit netball community organisations in natural disaster-affected locations, who work closely with their local community.
- 4.2 Organisations do need either an ABN or incorporation certificate and will be required in the Application process to demonstrate how grant funding will be of broad community benefit.
- 4.3 Only programs that support communities within Queensland are eligible for funding.
